

§ 600.240

(g) *Review of determinations.* (1) Any Council member may file a written request to the NOAA General Counsel for review of the designated official's determination. A request for review must be received within 10 days of the determination.

(2) A request must include a full statement in support of the review, including a concise statement as to why the Council's decision did or did not have a significantly disproportionate benefit to the financial interest of the affected individual relative to the financial interests of other participants in the same gear type or sector of the fishery, and why the designated official's determination should be reversed.

(3) If the request for review is from a Council member other than the affected individual whose vote is at issue, the requester must provide a copy of the request to the affected individual at the same time it is submitted to the NOAA General Counsel. The affected individual may submit a response to the NOAA General Counsel within 10 days from the date of his/her receipt of the request for review.

(4) The NOAA General Counsel must complete the review and issue a decision within 30 days from the date of receipt of the request for review. The NOAA General Counsel will limit the review to the record before the designated official at the time of the determination, the request, and any response.

(h) The provisions of 18 U.S.C. 208 regarding conflicts of interest do not apply to an affected individual who is a voting member of a Council appointed by the Secretary, as described under section 302(j)(1)(A)(ii) of the Magnuson-Stevens Act, and who is in compliance with the requirements of this section for filing a financial disclosure report. The provisions of 18 U.S.C. 208 do not apply to a member of an SSC, unless that individual is an officer or employee of the United States or is otherwise covered by the requirements of 18 U.S.C. 208.

(i) It is unlawful for an affected individual to knowingly and willfully fail to disclose, or to falsely disclose, any financial interest as required by this section, or to knowingly vote on a

§ 600.240 Security assurances.

(a) DOC Office of Security will issue security assurances to Council members following completion of favorable background investigations. A Council member's appointment is conditional until such time as the background investigation has been favorably adjudicated. The Secretary will revoke the member's appointment if that member receives an unfavorable background investigation. In instances in which Council members may need to discuss, at closed meetings, materials classified for national security purposes, the agency or individual (e.g., Department of State, U.S. Coast Guard) providing such classified information will be responsible for ensuring that Council members and other attendees have the appropriate security clearances.

(b) Each nominee to a Council is required to complete a Certification of Status form ("form"). All nominees must certify, pursuant to the Foreign Agents Registration Act of 1938, whether they serve as an agent of a foreign principal. Each nominee must certify, date, sign, and return the form with his or her completed nomination kit. Nominees will not be considered for appointment to a Council if they have not filed this form. Any nominee who currently is an agent of a foreign principal will not be eligible for appointment to a Council, and therefore should not be nominated by a Governor for appointment.
